From EUR Palasport to CSM  
**7:40 a.m.; 8.55 a.m.**

From CSM Meeting Location to EUR Palasport  
**3:55 p.m.; 4:55 p.m.; 6.10 p.m.**

- 1) **By car from "Leonardo da Vinci" Fiumicino Airport:** (See the Maps below)
  - High way "Roma-Fiumicino" to Rome till "Grande Raccordo Anulare" (**GRA**)
  - GRA, south direction (Napoli), till "Pontina" exit (exit n° 26 direction Pomezia/Latina)
  - Pontina road till "Castel Romano/Zona industriale" exit (about 10 km from the GRA and after "Pratica di Mare" exit);
  - Follow the main road and signs, drive living the "URMET" company on your right and turn around the traffic circle on your left, till you cross the road and reach CSM headquarters, in front of you.
- 2) **By car from "down town":** reach the EUR area then take the Pontina road (see point 1).
- 3) **From Airport to main Train Stations Ostiense and Termini:**  
From Fiumicino Airport trains are supposed to leave every 30 min.  
Ticket is required to enter the trains.

**Centro Sviluppo Materiali SpA**  
in collaboration with  
**Technological Observatory**  
**"Energy Materials & Power Generation"**  
and  
**AIDIC** (Italian Chemical Engineers Association)

organises

**Workshop**

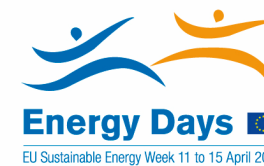

**"Materials and Technologies for Renewable Energy"**

- R&D and Power Generation Industry -

Sezione Centro

**Rome, 13.04.2011**

**09:15 – 10:00** Hosts registration

**10:00 – 10:15** Welcome to attendees (**CSM CEO**)

**10:15 – 11:30** **First session - (Moderator: E. Zanin)**

- Reference scenario- Future energy needs and the range of technologies addressing them (**WEC Italy, U. Dionigi**)
- UK perspectives/opportunities in the field of renewables (**UK Trade & Investment, F. Smith**)
- Sustainable solutions in the field of renewables (**Weizmann institute, I. Lubomirsky**)
