

Mr. Leonardo Vingiani

**Managing Director
Federchimica-Assobiotec, the Italian Association for the Development of
Biotechnology**

Leonardo Vingiani received his degree in Law with Honours at the University of Naples Federico II and his Master in Business Administration and Entrepreneurial Development at S.PE.GE.A (Technopolis, Bari).

For twelve years Managing Director of AISA, the Italian Association for Veterinary Medicines.

Since 1999, Leonardo has served as Managing Director of Assobiotec, the Italian Association for the Development of Biotechnology, representing more than 130 companies and science & technology parks operating in Italy and involved in various biotech-related fields – pharmaceuticals, diagnostics, agro-food, fine chemicals, environment, processing industry and equipment.

Leonardo is member of the Committee of National Associations at Europabio, the Bioindustry European Association, and also member of the Board at ICBA, the International Committee of Biotech Association.
