

Serena Gitto

Graduated with honors in Pharmaceutical Chemistry and Technologies from the University of Pisa.

She began her career in the patent department of the pharmaceutical company Fidia S.p.A. and, since 1999, has been working at Barzanò & Zanardo S.p.A., one of the leading intellectual property firms in Italy.

She is a qualified European Patent Attorney, Italian Patent and Trademark Attorney and Patent Litigator before the Unified Patent Court.

Her practice focuses on patent in pharmaceutical chemistry and biotechnology, with expertise in drafting, filing, and prosecuting Italian, European and international patent applications, Supplementary Protection Certificates, European oppositions and appeals, as well as litigation support before Italian and foreign courts and the preparation of legal and technical opinions.
