Ambrogio Invernizzi, born in Cuneo on 25 December 1966, is President of INALPI Holding, a Piedmont-based dairy group that has expanded its industrial operations and international presence under his leadership. He graduated in Economics and Business from the University of Turin and joined INALPI S.p.A. in 1995. He became a member of the Board of Directors in 2000 and was appointed President in 2009.

His entrepreneurial vision has shaped a business model centred on innovation, sustainability and the development of the dairy supply chain. Alongside his work in industry, he has held roles in institutions and trade associations.
